raditions

Foreword

Because the Ouachita River is so much a part of our community and school life, the Roarer Staff has striven to present an annual which reflects our life along its banks. Its waters are no longer disturbed by great steamboats plying their way to New Orleans; now only pleasure craft and seaplanes skim lightly along its broad surface.

What stories it could tell of our Alma Mater! The river has seen our school grow from its small beginning in 1894 to its present status as largest high school in the state.

The staff lovingly presents the "Along the Ouachita" edition, hoping that in years to come you may find in it a reminder of every phase of your school life for the year 1950-51.

COACH

The main reason for so many of our past successful seasons is, of course, head football coach, Jim Hodgins. Since the 1946-47 school year, Ouachita has had claim to an outstanding varsity halfback in the person of Coach Hodgins, who played ball for Tulane University.

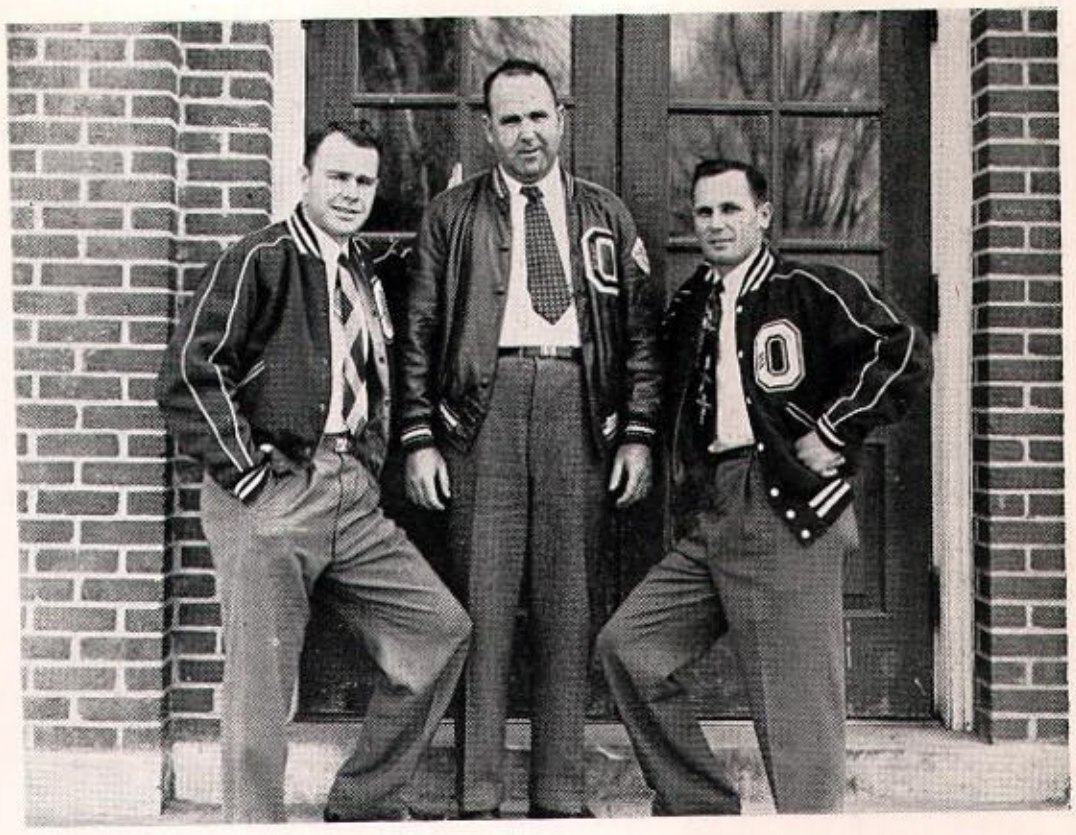
ASSISTANT COACHES

Ouachita possessed a well balanced coaching staff this year. Coach H. H. Holliman took charge of the basketball teams; Coach Billy Hudson served as track team coach; and Coach Johnny Johnson, new at Ouachita, performed the duties of freshman football coach.



CHEERLEADERS

Leading the cheers for the 'boys on the field" and lifting school irit to unlimited heights, Ouachita's eight cheerleaders completed a ccessful year's work. The cheerleaders for 1950-51 were, bottom: hnny Hester, Tommy Trawick, Clyde Fulton; second row: Bonnie lbritton, Janis Dyar; top: Dixie Brown. Not shown in picture are tty Pane Pettit and Tommy Powell.

Emerging from one of the hardest schedules in the state, the Ouachita Parish High School Lions dropped seven of their ten scheduled tilts, but, nevertheless, rolled up a grand total of 177 points to their opponents' 187.

Laurels for the outstanding "pigskin" participants went to halfback Herman De Loach, recipient of the Lockhart-Blair Good Sportsmanship award; right end Kenneth Bates, given the Avants award for "the best all round football player"; and halfback Bob Carter, securing an honorable mention on the National All-American Squad of 1950.

Basketball 1951

As the 1950-51 basketball season was terminated, the records revealed a very successful season for the Ouachita "hoopsters". Coached by H. H. Holliman, they won 21 of their 29 scheduled games and qualified for participation in the state finals.

Their tangible spoils, in the form of five beautiful trophies, were the result of taking first place in the Baskin, Neville, and Chatham Tournaments; placing second in the Ouachita meet; and third in the Northeast Louisiana State College Tourney.

Receiving state recognition were Bob Carter, state's leading scorer with 474 points; and Harold Davis, ranking third in the state scoring with 401 points.

Journeying to Calhoun for volley ball competition there, the team bested Winnfield but later were handed defeat by a strong Calhoun squad.

The many other athletic activities which occupied the girls' time were basketball, softball, badminton, tennis, and ping-pong.

In co-operation with the local Civil Defense program, the senior girls were given a course in fundamental first aid by Miss George, instructor.

The pictures below prove the girls' enthusiasm for sports as they were snapped during athletic participation.

The two snaps on the left show typical tennis and volley ball games.

ROARER '51

Roarer heads, left to right: Arthur Matthews, business manager; Bonny Pettit, editor-in-chief.

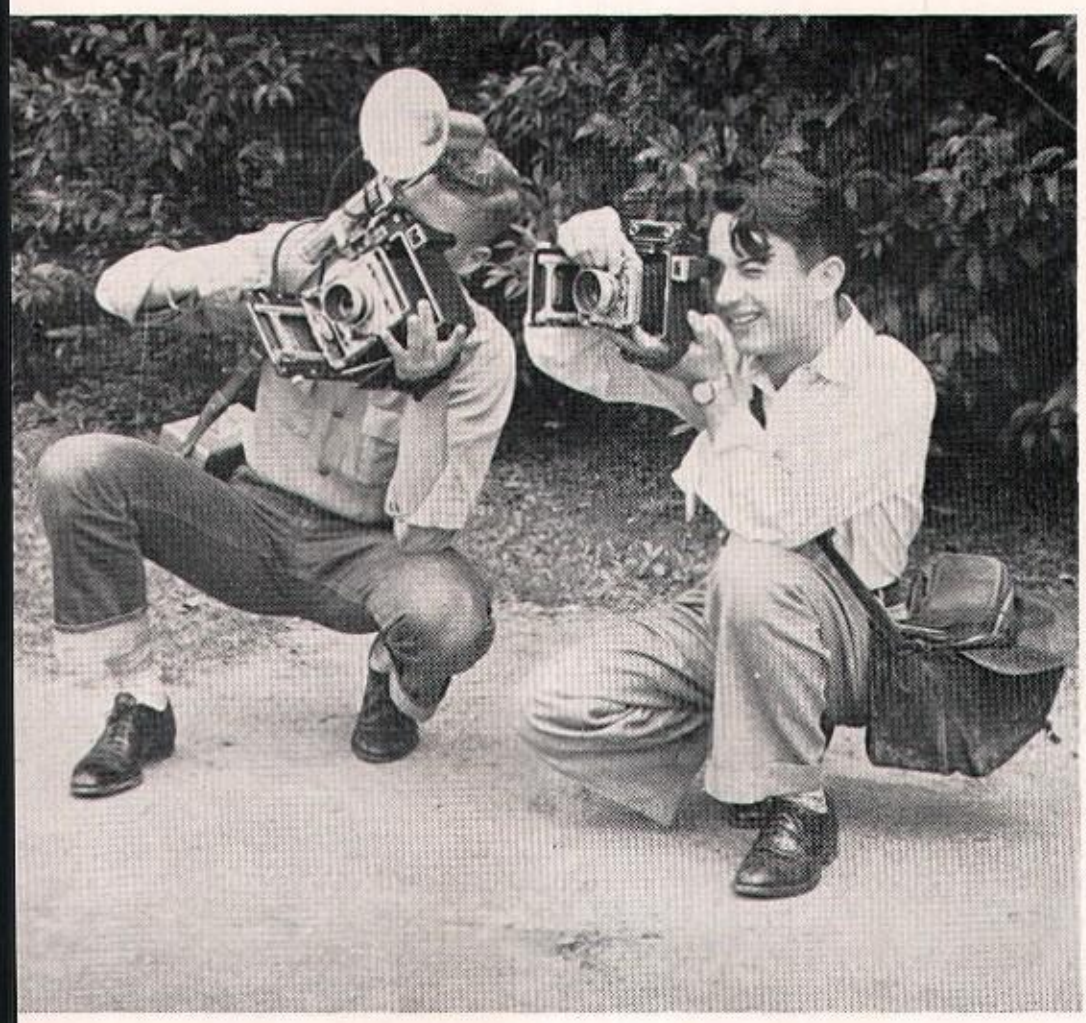
The Roarer was again published by a staff consisting entirely of seniors. This year's edition was the first to be published under the supervision of the newly inaugurated journalism department.

Every senior had the opportunity to compete for a place on the staff through his efforts in the sales promotion campaign, and, later, his participation in soliciting advertisements from local business houses.

Editorial Staff, seated, left to right: Bonny Pettit, editor-in-chief; Vonnette Austin, art editor; Ann Dugal, senior editor. Standing: Greg Hare, student photographer; Thelma Parsons, Ann Merriman, Tommy Fryant, Frances Griffin, Joe Milner, sports editor.

Business Staff, seated, left to right: Arthur Matthews, business manager, Alice George, circulation manager. Standing: Alice Montgomery, Mary Kathryn Wheelis, Dorothy Works, Mary Bays Serex, Tommy Trawick, Judy Pate, Peggy Tousinau, Joy May.

The publication of a year book requires many hours of painstaking work and infinite patience. It has not all been work, however. There have been moments of fun, and, at last, the joy of seeing a task completed. The staff hopes you enjoy the fruits of its labor.



Without help from Greg Hare, our student photographer, the Roarer would have lacked many of its fine pictures. Always ready with his camera, he let his personal interests take a back seat and gave the Roarer preference. With Greg is pictured Jimmy Ferguson, Lion photographer.

THE LION

Editors, left to right: Scotty Tullier, feature editor; Mary Kathryn Wheelis, copy editor; Peggy Tousinau, editor-in-chief; Joe Milner, sports editor; Thelma Parsons, news editor.

Bottom, reporters, left to right: Bobbye Michell, Margaret Pounds, Betty Bamburg, Donald Bussey, Mary Ann Henderson, Johnnie Boyette, Vonnette Austin.

For the past two years The Ouachita Lion has won the International Honor Award, highest possible rating in the Quill and Scroll Critical Service. During these years the Lion, with Miss Mabel Lann as sponsor, has been a project of the English Department.

This year for the first time in the history of our school, the Lion has been published by a journalism department, headed by Mrs. James Hornbeak, a newcomer to our faculty.

The editors, feature writers, and reporters are all members of the Senior Class, and most of them have had two or three years experience in school paper work. They have all worked together to bring the students a paper truly representative of our school life.

STAFF

Top, typists, seated, Ann Dougal, Joyce arrett.

Left to right, front row: Ione Hill, Ann ebert, Jo Rhodes, Barbara Monroe, Mar-aret Hunter, Raymond Smart, Dwight rubbs.

The business and circulation staffs, along with the typists, have played an important role in the publication of the Lion. The members of the staffs have capably handled the financial and distribution problems of our paper, while the typists have "pecked" many an hour away as they prepared copy for the printer.

Surely our Lion would never have been the success we feel it is had not the staffs been made up of such willing and co-operative workers.

SCHOOL BAND

The 1950-51 band was an unusually busy one. Starting off the year by playing at a rodeo the band got itself ready for its long year of work. As usual, Ouachita's band played at all the football games and many parades were included on the '50-'51 schedule. Trips to the State Fair and the music festival in Ruston were other important band activities. Two concerts were presented in the school auditorium while several were presented to out-of-town audiences.

OUACHITA CHOIR

The Ouachita Parish High School Choir has been under the direction of Miss Ramona Cormier for the past two years. Besides performing in the annual Christmas and spring concerts, this group is often heard at local churches and civic organizations. Last year the choir, with their director and several chaperones, made a six-day tour of the state. In some of the cities the members enjoyed the hospitality of the townspeople, who readily took them into their homes. They visited many historic spots, performing for varied audiences, and a grand time was had by all.

This year has been highlighted by several excursion trips to neighboring towns where the choir has presented a full concert.

The choir, having received a superior rating at state festival for a number of years, performed for the entire district at Ruston this year.

GIRLS' ENSEMBLE

The girls' ensemble, under the direction of Miss Ramona Cormier, has made quite a name for itself as it has traveled about among the many organizations of our city, singing semi-classical and spiritual numbers along with other all-time favorites. It has been in constant demand for civic club performances, banquet programs, educational programs, music for style reviews, and even kiddie show performances.

This group has immensely enjoyed its visits to St. Joseph's Home for the Aged, and it claims these lovable oldsters as one of its very best audiences.

Both of the ensembles have performed singularly and as a combined group at every choir concert and for many of the above programs .

Seated, left to right: Joan Wood, Ouida Greer.
Standing, left to right: Louise Williamson, Bonny Pettit, Leone De Loach. Mary Serex, Jane Coats.

BOYS' ENSEMBLE

Remembered for their renditions of "There's Nothin' Like a Dame" and "Jericho" the boys' ensemble has enjoyed its share of local fame. These boys have performed for minstrel programs, civic programs, banquets, and have joined the girls' ensemble for the greater part of their year's performances as a mixed ensemble.

No more versatile group can be found. They sing their prepared program, and, then, on some occasions, sing request numbers.

Every member of the group enjoys singing and their every appearance has received the highest praise.

KEY CLUB

Left to right: Arthur Matthews, vice-president; Joe Milner, president; John Bivins, treasurer; Bobby Edmondson, secretary.

The Ouachita Parish High School Key Club, enjoying its fifth year of existence here at Ouachita, is one of the most active service organizations in the school and community.

Sponsored by the Monroe Kiwanis Club, the Key Club holds as its primary objective the development of such qualities in boys as leadership, scholarship, and character.

This is brought about by coordinating their efforts in rendering service to the school and community through a medium of service projects.

Highlighting this year's many achievements were the Key Club Minstrel, faculty-student basketball game, establishment of an athletic Hall of Fame, renumbering of all classrooms, poll for the Lion, Parent-Sons Banquet, ushering at all home football games, and taking the 'B' League City Championship in basketball.

Included have been programs on Roman History and Customs. The Christmas program was devoted to a discussion of the Roman Saturnalia and to the singing of the Christmas songs in Latin. The March program had as its theme Julius Caesar, while the April program celebrated, by a humorous skit, the founding of Rome. The members of the club also enjoyed the programs based on word study through Latin given quiz style.

SPEECH

Ever increasing in size and popularity, Ouachita's speech department, headed by Miss June Schultz, and ably assisted by Miss Yvonne Lusk, now boasts two drama classes and six fundamental speech classes. Also, many students have requested that the speech department include classes in debating and advanced drama.

Set for "Double Door."

DEPARTMENT

The Speech Department is an important part of Ouachita. Students in Speech I get basic training in public speaking, interpretative reading, story telling, forums, debating, everyday conversation, and individual voice training. Second year speech students study the history of drama, the lives of great playwrights and actors, and get experience in acting on the stage, in make-up and in student direction.

Activities included in the work of the Speech Department this year were the Open House program, a school assembly, a series of one-act plays, radio programs, and the three-act senior play, *One Foot In Heaven*.

Off The Press

These are the words eagerly awaited by every member of your staff, student body and faculty.

We have taken your memories — your ideas, tributes, and photographs and put them in a form you'll cherish for years to come.

This permanent record of your school days has been printed by people who know school annuals and like working with you to produce them. Your staff is to be commended for your splendid cooperation and service to your school.

Acknowledgments

The Roarer Staff gratefully acknowledges the help and assistance of Miss Mary Annie Wall, Mr. Marvin DuBos, Mr. Leon Noland, Mr. Ed Hayman, our faculty and administrators. To Mr. Robert Lynch of the Hurley Company and Mr. Robert See of the Shreveport Engraving Company, we give a vote of thanks for their advice and kindly patience even beyond their line of duty.

We again want to express our gratitude to the advertisers of the Twin Cities, for without their generous aid the publication of the 1951 Roarer would have been an impossibility.
